SMALL GLOVE BOX WITH NITRILE GLOVES (4 PAIR)

Our Sani-Safe Glove Dispenser contains 4 pairs of Nitrile Gloves. Nitrile is a latex free product that provides a very high quality of protection against blood or bodily fluids. The handy dispenser comes with pop-out opening in front for easy grab and go. The dispenser also features a hook-and-loop double stick backing for the option of mounting it directly to the outside of your cabinet! If you are treating a victim and blood is present, the first thing you should reach for is a pair of gloves. Mounting this dispenser to the outside of your kit is convenient and practical.
